

## **Pipelayer Job Posting**

Hammerlund Construction, Inc. is a full service General Contractor serving Northern Minnesota and much of the Iron Range since 1989. Today Hammerlund Construction provides services in Earthwork and Grading, Utilities, Cast-In-Place Concrete, Mining Support, Industrial Services, Demolition, Custom Hauling and Construction Management.

Having learned early on that safety and quality go hand in hand, we continually strive to ensure that each of our employees has—and maintains—the safest possible work place. That, in turn, allows our experienced project managers and field personnel to provide the professional service and innovative solutions for which we've become known. Over the past 20+ years, we've tackled projects which range from the simplest to the most complex, and in each case we've found that by drawing upon the skill of our people, and teaming that up with the latest available technology, we can meet and exceed our clients' expectations.

Hammerlund Construction, Inc. is an equal opportunity employer and all qualified applicants will receive consideration for employment.

A PIPELAYER performs tasks involving assembling, connecting, and constructing pipe systems for storm or sanitary sewer, as well as water mains, at building, highway/heavy, and mine construction projects. The position is based in Northern Minnesota with some travel required. Drug testing is a requirement for employment. The primary duties and responsibilities of a pipelayer are as follows:

- Configure pipe routes
- Align pipes in pipeline sections
- Locating existing underground utilities
- Grade and level trenches using tamping machines and hand tools
- Ensure pipes are fitted and aligned using pipelasers and transits
- Covering pipes with appropriate bedding materials

### Job Qualifications:

- Ability to accept responsibility and account for his/her actions
- Ability to perform work accurately and thoroughly
- Ability to adapt to change
- Ability to communicate effectively with crew members
- Ability to make decisions or take actions to solve a problem or reach a goal
- Ability to get along well with a variety of personalities and individuals
- Ability of being dependable and trustworthy
- Time management

### Physical Requirements and Working Conditions:

- Frequently perform physical activities that require considerable use of the arms and legs and moving the whole body, such as standing, lifting, walking, stooping, bending, reaching, and handling of materials, equipment and tools
- Lifts, pushes, pulls and carries heavy objects, machinery and tools
- Works around vehicles and machinery with moving parts
- Exposed to exhaust fumes, gasoline, and diesel fuel
- May be exposed to harsh weather conditions
- May be exposed to loud noise

This job description is not intended to represent a complete, comprehensive list of all duties and responsibilities that may be required in this position. There may be unplanned activities and other duties assigned.

### Benefits:

- Union wages
- Union benefits
- Paid training
- Room for advancement
- Great team atmosphere
