

## **Utility Crew Foreman Job Posting**

Hammerlund Construction, Inc. is a full service General Contractor serving Northern Minnesota and much of the Iron Range since 1989. Today Hammerlund Construction provides services in Earthwork and Grading, Utilities, Cast-In-Place Concrete, Mining Support, Industrial Services, Demolition, Custom Hauling and Construction Management.

Having learned early on that safety and quality go hand in hand, we continually strive to ensure that each of our employees has—and maintains—the safest possible work place. That, in turn, allows our experienced project managers and field personnel to provide the professional service and innovative solutions for which we've become known. Over the past 20+ years, we've tackled projects which range from the simplest to the most complex, and in each case we've found that by drawing upon the skill of our people, and teaming that up with the latest available technology, we can meet and exceed our clients' expectations.

Hammerlund Construction, Inc. is an equal opportunity employer and all qualified applicants will receive consideration for employment.

The position is based in Northern Minnesota with some travel required. Drug testing is a requirement for employment. Single foreman or foremen with a full crew are welcome. The primary duties and responsibilities of a foreman are as follows:

- Review shop drawings and plans
- Train staff in the safe operation of construction equipment, tools, and job skills
- Ensure safety on the job site
- Prepare and submit reports/daily job reporting
- Coordinate and order materials
- Crew supervision
- Daily job planning and layout
- Improving construction methods
- Building a strong client relationship
- Maintaining open communication with both the Project Manager and Client are essential

### Job Qualifications/Requirements:

- Must have a minimum of 5 years experience in underground utilities
- Ability to accept responsibility and account for his/her actions
- Ability to adapt to change
- Ability to communicate effectively with crew members
- Ability to make decisions or take actions to solve a problem or reach a goal
- Ability to get along well with a variety of personalities and individuals
- Ability of being dependable and trustworthy
- Time management
- HeavyJob experience is a plus

This job description is not intended to represent a complete, comprehensive list of all duties and responsibilities that may be required in this position. There may be unplanned activities and other duties assigned.

### Benefits:

- Union wages
- Union benefits
- Paid training
- Room for advancement
- Great team atmosphere
- Company provided pickup, cell phone, computer, and lodging while traveling for work
